REVIEW ORDER

Trade for  
Good.

**Trade by Value** is an order type where you can set the value of the total purchase.

| Purchase By    | Quantity | Value    |
|----------------|----------|----------|
| Order Type     | Limit    | ▼        |
| Value (AUD \$) |          | 1,000.00 |
| Limit Price    |          | 47.0100  |
|                |          | 21 units |

Set the amount you want to spend for the **total of the trade**. It will calculate the amount of shares, by dividing the value available by the limit or market price.

Trade for  
**Good.**

The summary will display the estimated value of the trade.

| Summary         |              |
|-----------------|--------------|
| Order Amount    | \$987.21 AUD |
| Estimated Fees  | \$9.45 AUD   |
| Estimated Total | \$996.66 AUD |

REVIEW ORDER

It will factor in the **Order Amount** (trade value) and the **Estimated Fees** (brokerage) to the combined **Total Cost**.
